

**Omineca Mining Association  
Mackenzie, BC**

Greetings.

I would like to take this opportunity to introduce the Omineca Mining Association. (OMA). The OMA is a registered Non profit society in the province of British Columbia.

The purpose on the OMA is to bring together all stakeholders within the mining community and to provide a voice and representation to everyone involved. We invite miners, suppliers, governments and aboriginal communities to join with us to promote successful and responsible small scale mining in the Omineca region.

Our goal is to work in a co operative manner with all parties involved. The OMA recognizes the economic benefits of mining as well as our responsibility to do so in an environmentally responsible manner.

We would like to invite everyone to join the OMA both through individual memberships or as a business sponsor.

For further information please refer to the links below:
